

## Distinguished Club Goals

Administered by Toastmasters International (TI), the Distinguished Club Program (DCP) has a strong focus on educational achievement and club membership. The Distinguished Club Program is an annual program covering an entire Toastmasters year, from July 1 to June 30. At the end of this period, clubs will receive recognition for their efforts based upon the number of DCP goals reached during the year.

### DCP Goals

The Distinguished Club Program is an extremely simple program: The more goals your club reaches, the higher the recognition for your club. There are ten possible goals that your club can achieve:

	<b>Goal</b>	<b>Completed</b>
1	Achieve two CTMs	
2	Achieve two additional CTMs	
3	Achieve one ATM-B, ATM-S, or ATM-G	
4	Achieve one additional ATM-B, ATM-S, or ATM-G	
5	Achieve one CL, AL, or DTM	
6	Achieve one additional CL, AL, or DTM	
7	Add four new members	
8	Add four additional new members	
9	Have a minimum of four officers trained during each Club Officer Training period	
10	Submit one Semi-Annual Report and one Club Officer List to TI before the deadline	

### Membership Requirement

To be eligible for recognition under the Distinguished Club Program, a club must end the Toastmasters year (July 1 through June 30) with 20 or more members OR with a net increase of at least 5 members over the number of members it had at the beginning of the year.
